Dear current and future WIN members:

WIN is about supporting women in the industry and providing value to its members. Networking with professional organizations such as WIN is more important than ever in today's every-changing industry. We are empowering women within the industry to succeed through the many resources available to our members.

For 2010, WIN is continuing to offer the membership rate of \$75.00. We are proud to provide this opportunity to individuals like you, your friends, and your business associates who will benefit greatly by the networking power of this membership, so don't miss this chance to connect with WIN.

We are pleased to offer benefits to our WIN members:

- ❖ Access to WIN's Resources and Mentors Network
- ❖ Access to WIN's diverse network for industry employment opportunities
- ❖ Opportunity to attend the 2010 WIN Conference
- ❖ 2010 WIN membership certificates suitable for framing
- ❖ WIN Window "cling" to let your customers and associates know that you are a proud member of the Women's Industry Network, "Driving the Future of Women in Collision Repair"
- ❖ Access to WIN Notes, to help you stay informed on the latest events associated with WIN and its members

Feel free to share this letter and attached membership materials with your friends and business associates. WIN welcomes all women and men committed to advancing the role of women in the collision industry.

Best wishes,
