

WIN Student Conference Scholarship Award Criteria

For the year 2010, WIN will offer female student conference scholarships. Each scholarship will provide the recipient with a one-year WIN membership, paid conference fee for that year, hotel fee paid for 2 nights based on sharing a room with another recipient and \$250 towards WIN Conference travel. As many entrants as financially possible will receive scholarships based on application competitiveness and the annual allotted scholarship budget funding. This year's conference will be held in Orlando, Florida at the Peabody Hotel on May 2nd thru 4th.

Criteria:

The following information must be received as one packet for scholarship consideration by **March 5th, 2010**:

- Be a full-time student at a secondary or post-secondary institution enrolled in a collision repair technology program and must provide complete school contact confirmation and complete instructor contact information.
- A short essay answering the following question "*Why am I studying to be a collision repair technician?*"
- Separate page listing current contact information including name, address, phone numbers and email
- Scholarship submissions should be mailed to WIN Scholarship Committee; c/o ASE; 101 Blue Seal Drive, Suite 101; Leesburg, VA 20175.

Information about the scholarship opportunity will be sent to collision repair technology programs from the I-CAR Education Foundation and NATEF program lists. A press release will be sent out and information will be posted on the WIN website and appear in WIN Conference materials.

Selection:

The applicant's criteria packet and WIN Conference Form is to be sent to the WIN Scholarship Committee for review and recommendation to the WIN Board. The Board will give the final approval. The Scholarship Committee will contact and handle arrangements for the recipients with the Conference Committee and assign a mentor to serve as a hostess at the conference.
