

ENGAGE

Join WIN

Become a member of WIN, a dynamic and growing network of women in the automotive industry. We work to bring fresh perspectives to industry issues through education, networking, and sharing of resources.

Whether you join WIN as an individual or through your company, you will have the support of a resource center full of information, new ideas, industry contacts and mentors.

I believe women in the collision industry need a different kind of support system – one that serves us both professionally and personally. WIN is all of those things and so much more."

*Michelle Toups
Manager, California Customs Collision*

Attend the WIN Conference

WIN's annual conference is a unique event that will connect you with current business issues. Take advantage of this annual opportunity to build relationships with women who are shaping the future of our industry. The conference offers the right combination of education and networking, realistic techniques and practical wisdom to help you succeed.

Get Involved!

Joining a WIN committee is a great way to expand your network, showcase your talents, and make a difference in the collision repair industry.

Build your leadership skills by volunteering to chair a committee or lead a committee project. Our committees include:

- Sponsorship
- Membership
- Governance
- Conference
- Communications
- Strategic Planning
- Scholarship and Education

EXCEL

Become a Leader

Stepping up to Board service is a great way to demonstrate your leadership and actively influence the future of the collision industry.

The Board is responsible for charting the future of the Women's Industry Network. Members of the Board share a passion for the growth of women in all segments of the industry.

Come grow with us!

"Through the ever-growing network of knowledgeable women in WIN, I have become a more self-confident and outgoing person. As I reflected on my years growing up as a female in the collision industry, I knew that the best way I could give back to other women was by actively participating on the WIN Board."
