

PRESS RELEASE

Friends of WIN Donations & 2012 Membership Now Being Accepted Through WIN's Website

Leesburg, Virginia, November 7, 2011 - The Women's Industry Network (WIN) has created a "Friends of WIN" donation category enabling individuals and organizations to support WIN even if they cannot make the level of contribution required to be a corporate or event sponsor. Victoria Jankowski, Claims Consultant for State Farm Insurance and WIN's chair, explained, "We recognized there were individual people and businesses that wanted to support WIN and our mission to engage women in collision repair. We created an avenue for them to do so outside of corporate and event sponsorships. Any person or business can now support WIN through our Friends of WIN donation category and they will be recognized on our website as a supporter of WIN. We are thankful for each and every one of our supporters."

In addition, WIN is now able to accept online registration and payment for 2012 membership through its website, www.womensindustrynetwork.com. Under the "Become a Member" section, current and new members can now complete the brief registration form and pay their dues utilizing a credit card through a secure payment site. Membership is open to all women and men from all segments of the collision repair industry. The fee for 2012 membership is \$75.00 for Professionals and \$25.00 for Students. Any memberships received prior to December 31st will include 2012.

Note to the editor

WIN is a not-for-profit organization dedicated to encouraging, developing and cultivating opportunities to attract women to collision repair while recognizing excellence, promoting leadership, and fostering a network among the women who are shaping the industry.
